

To Students .

The Pilot Club of Madison is a volunteer service organization that has serviced Jefferson County, Indiana for over forty-three years with funds collected from the "Old Court Days" Festival.

The on-going service focus for our parent organization, Pilot Club International, is "Brain Related Disorders".

The purpose of the Pilot Club is to promote an awareness of Brain Disorders and to improve the lives of those affected through education, research and financial support. We also strive to give back and support our local Madison community through various endeavors.

Therefore, we are offering three scholarships to deserving seniors interested in a service oriented career. We very much appreciate and wish to reward those individuals who value volunteering and giving back. This Scholarship is in the amount of \$500.00 and may be applied towards either college or vocational training.

A personal interview will be conducted by invitation only. Please send completed application to: Pilot Club of Madison
